**ARTICLE 6, RELATING TO DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

Section 1. Add ~~'seventy-three percent (73%)'~~ and underline 'eighty-four percent (84%) on page 90, line 21. This corrects the inadvertent elimination of existing law and the proposed language for the beach fee revenue share with local communities. The full section, on page 90, beginning line 19 should read:

"(e) All daily fees from beach parking, which shall also include fees charged and collected at Ninigret conservation area and the Charlestown breachway, shall be shared with the municipality in which the facility is located on the basis of ~~seventy-three percent (73%)~~ eighty-four percent (84%) retained by the state and ~~twenty-seven percent (27%)~~ sixteen percent (16%) remitted to the municipality."
