RI House Small Business Committee
RI State House
Providence, RI 02903

Re: Support H.6119 - Keep Rhode Island's Outdoor Dining open for business.

Dear Chairwoman McEntee:

Support H.6119 - Keep Rhode Island's Outdoor Dining open for business.

This legislation would impose a one-year moratorium on enforcement of municipal ordinance or zoning requirement that penalizes owners of food service establishments/bars for modifications/alternations to their premises in response to an emergency declaration.

Restaurants continue to depend on their outdoor dining seating to generate revenue. They have also invested thousands of dollars in developing these outdoor dining areas for customers to enjoy.

This legislation is an important part of our industry's recovery.

Please pass this legislation quickly!

Sincerely,

Kelly Albro
