Good Evening,

I am an apprentice for the IBEW Local 99, I strongly support bill H-7015.

We live in a time when electrical work is becoming increasingly technical. Without having extensive electrical training, regular electrical code updates and daily electrical experience; the risk of injury and accidents increase. The Bill H-7015 is a great bill; it will protect Rhode Islanders and help keep electricians responsible to their trade.

Vote Yes for H-7015!

Thank you,
