Subject: Testimony in support of H-7015 as drafted

Good Evening,

I am writing to the House Corporations committee tonight to express my support for H-7015, as is & without amendments. I am a journeyworker electrician in Rhode Island, & also an electrical instructor providing classroom education for apprentices. Clarity in licensing is critical to the economic success of this state, & for the wellbeing of the thousands of Rhode Islanders working in the electrical trade.

Thank you,
Mark Shanley
