Subject: Testimony in Support of H-7015 as Drafted

Dear Representatives,

I have reviewed H-7015 and I believe it should be passed in its current form without amendments. I am a licensed Journey Worker Electrician and a resident of Pawtucket. Strong, clear and concise licensing laws help ensure that our workers receive the proper training and credentials to do the work safely and for a living wage. Properly licensed craft workers and proven accredited apprenticeship programs provide better value to the community, and a path to the middle class.

I support H-7015 as drafted. Thank you for your time and consideration.

Sincerely,
Nicki Kent
