Subject: Testimony in support of H-7015 as drafted

To whom it may concern,

I am a registered electrical apprentice in the our beautiful state of Rhode Island and am writing in support of Bill H-7015 as drafted and unamended. In 1942, there were only two licenses, Journeyman and Master. Today there are 16 different licenses, all of which with a goal to lower wages and benefits at their core. In supporting this bill I wish to protect the integrity, respect, and safety of my trade. Thank you.

Sincerely,
Patrick Pirniak
