**Subject:** Bill H-7015

I am writing and requesting that Bill H-7015 be passed as drafted and unamended. As a Master Electrician in the State of RI I find it crazy to have electrical work and inspections done by people who are not electricians. I have seen plenty of things done by people not licensed or educated in electrical work; it's shoddy and dangerous. Again I request that Bill H-7015 be passed as it is currently drafted. Thank you
