Subject: Support of H-7015as drafted

Hello,

I am writing in favor of Bill H-7015 as it is drafted.

As a Licensed Rhode Island Master Electrician I am proud of my trade knowledge and schooling that I am able to bring to my craft every single day. To water down my trade, to hand others my work, to loosen the regulations for licensing would do the people of Rhode Island a disservice.

Thank you,

Scott Pakenham
