To whom it may concern,

My name is Cheryl Scher and I'm a 60 year old kratom consumer from NJ. I'm writing you today to ask you to pass the Kratom Consumer Protection Act (KCPA). Kratom is a miraculous leaf which has given me my life back. I suffer from severe Chronic fatigue syndrome and nothing has ever been able to help me deal with it. I've been using kratom for almost 6 years and am beyond grateful for the help it has given to me. Kratom is safe, effective, non addictive and is devoid of dangerous side effects. Kratom products need to be REGULATED via the KCPA to assure access to safe unadulterated products, not banned.

Please for the sake of people like me and many others suffering from various maladies do not pass a ban on kratom. Instead, please pass the KCPA to protect kratom consumers like myself. Any questions I'd be happy to answer.

Thank you for taking the time to read this.

Respectfully yours,

Dear Cheryl,

Please email [HouseCorporations@rilegislature.gov](mailto:HouseCorporations@rilegislature.gov) and ask them to support the KCPA and reverse the ban in Rhode Island.

We really need this done by 5PM ET if possible.  
Thank you for your help!

Best,
