Subject: Please Do Not Ban Kratom

Hello,

I ask that you do not make me a felon.

I have been taking kratom for the last four years. During these four years, I have been able to continue excelling at my current job position.

With the help of kratom, I have been able to stay on task and be productive without having to take ADHD medications. Kratom has been able to help me stay off medications entirely.

Please vote no to banning Kratom.

Thank you so much,
Kristina Bychkov
