Subject: Kratom Kcpa

I just want you to know how important kratom is to this grandma of 6. I had been on opiates for 17 years not getting any relief just making me another pharmaceutical addict. I found kratom 6 years ago and kicked all pharmaceutical to the curb. See when I was on opiates I was labor a very involved geandma. I was always in pain always high on opiates. I am now as involved as my grandkids parents. I do soccer bb and baseball with these kids. I am no longer in pain I beg you to support the kcpa bill.

Thank you
Reinna Waseskuk grandma of 6
