Subject: Please reverse kratom ban

For what it's worth, I will be leaving Rhode Island and I've already signed a lease in a different state. Not specifically because of the kratom ban, but also the vape ban, lock downs, high taxes, crushing small businesses including my own and ones I've worked for. I'm 44 years old and you've effectively driven me out of the state.

I'm also a believer of kratom, and I'm delighted to be moving to a less authoritarian state. I'll be sure to purchase some kratom.
