I wanted to let you know that kratom has saved my life!

Saved me from alcohol addiction and naturally and safety treated my severe depression, cptsd, anxiety disorder and panic disorder!

Medication did not help me and I began having severe reactions to meds ended up in hospital almost not making it!

Kratom has given me my life back and saved my life literally!!

I can take care of my mother now and am finally happy in life!

Please look at the science! It is safe and saves millions of lives every day! Please reverse the ban and approve the kcpa!

This site has links to the studies on kratom!
