Re: House Bill 7808 – Net Metering

Dear Chair Solomon:

The Public Utilities Commission (PUC) supports House Bill 7808, which would amend Net Metering. Specifically, the PUC supports elimination of the consumption-based sizing caps and 125% consumption cap on excess net metering credits together with the payment of excess renewable net-metering credits at the Last Resort Service rate.

Please feel free to contact me with any questions at 401-780-2147 or cynthia.wilsonfrias@puc.ri.gov.

Sincerely,

A handwritten signature in blue ink that reads "Cynthia G. Wilson-Frias".
