Subject: House Bill #7946

To whom it may concern;

I am writing on behalf of my entire household to express our extreme disgust regarding the aforementioned Bill. It is an UNLAWFUL CONFINEMENT OF A COVERED ANIMAL to exempt egg laying hens kept for commercial egg production purposes under the provisions of chapter 4-1.1 until January 1, 2034. It has been referred to House Corporations Scheduled for hearing and/or consideration (03/26/2024). Legislators Chippendale, Quattrocchi, and Newberry should ALL be ashamed of themselves. We have come so far as a society. To even suggest enacting laws that make mistreatment of sentient beings only sets us back to being barbarians.

I'm sure you've gathered we are against this proposal.
