Subject: H7649 - Unlawful Confinement of Animals AGAINST

Dear Chairman Solomon and Honorable Members of the House Corporations Committee:

Volunteer Services for Animals (VSA) writes in opposition to H7649 and asks that you not support the request for the extension of time in H7649. We have left you information regarding the inhumane treatment of hens and chickens.

Very respectfully yours,
Joanne Rongo
Chair of the Board of Directors

Volunteer Services for Animals (VSA)
PO Box 6263
Providence, RI 02940-6263

Factory farmed animals are among the most abused animals on Earth.
