Subject: Support for HB 7715

Clerk Louis Mansolillo,

Hello, Esteemed Members of the RI House Corporations Committee.

I am writing to state my support for House Bill 7715.

I believe that medical professionals, not otherwise well-meaning RI Energy and/or RI PUC staff should decide whether and for how long a patient should be spared of freezing or sweltering.

Thank you for your kind attention.

Dr. Marie C. Hennedy, Ph. D.
