Re: OPPOSED to House Bill – H 7082

Dear Chairman Solomon:

On behalf of myself and my family, I am writing in opposition to the proposed legislation H 7082, which would impose a medical loss ratio on dental benefit plans.

For many years, our dental premiums have remained stable, and I have enjoyed excellent coverage, while receiving quality care from very skilled dentists and hygienists. I am certain that if this bill is passed it would result in less choice and higher premiums, just like what is already happening in Massachusetts.

For these reasons, I strongly oppose the proposed bill.

Thank you for your consideration of our opposition on this matter.

Sincerely,
