RE: Testimony Opposing H 6034 – An Act Relating to the Establishment of Charter Public Schools

Dear Chairperson McNamara and Members of the House Education Committee,

My name is **Ingrid Hernandez** and I am a parent in **providence** I write to express my **strong opposition to House Bill 6034**, which would limit the future of network charter schools in Rhode Island by **banning the approval of new network charter schools and blocking the expansion of existing**

I want the other kids will have the opportunity that my daughter has in these moment ,after 5 years applying for a Charter school ,She was accepting in excel Academy,and these significant too much for me because I was always worried about the Providence middle school where the big problems happened .I urge you to reject H 6034 and instead work toward policies that strengthen accountability and quality without limiting access and opportunity.

Please stand with Rhode Island families and students who depend on strong public school options. Thank you for your time and consideration.

Sincerely,
