Subject: House Bill No. 6034

To Whom It May Concern.

I am providing written testimony in favor of Bill 6034. We must prevent charter schools from applying. I have taught at Mary Fogarty for 26 years. We have recently been moved to Laurel Hill Ave. So they can rebuild our school. A newer school for Providence students. I look forward to returning to Oxford Street. Please stop Charter schools from applying. The students lose out as it takes money away from public education. It places a negative impact on students.

Thank you for your time.
