Barbara Walsh, 62 Frederick Street, Warwick, RI 02888

Date of Hearing: February 29, 2024

To Chair Bennett and the honorable Members of the House Environment and Natural Resources
Committee:

I am sure you are aware of the many positive aspects of this bill – protection of pollinators, soil health, human health, transport costs of non-organic produce, etc. Therefore, I am asking that you support and vote in favor of H7562.
