Subject: Support HB7617

Honorable members,

Please support H7617: Building Decarbonization Act. Help RI meet its carbon reduction goals with new standards for building and renovating RI buildings, which now produce 30% of the states carbon footprint... imagine the impact it could have to reduce the effects of climate change in our beautiful ocean state! Imagine the impact of could have for our citizens....

Thank you for your work toward a safer world.

Sincerely,
Amy Crawford
