Subject: OPPOSE H 5098

Good morning-

My name is Stefan DiPippo and I am sending this email to OPPOSE H 5098. We should focus on preserving our green spaces, instead of incentivizing deforestation with tax cuts that have no upside to the community at large. It is very obvious how damaging and destructive it is to focus on short term financial gain.

Please oppose H 5098.

Best,
Stefan DiPippo
