

State of Rhode Island  
Office of the General Treasurer

**James A. Diossa**  
General Treasurer

24 April 2024

The Honorable Marvin Abney  
Chair, House Committee on Finance

The Honorable Members of the House Committee on Finance

**RE:** *2024-H 7029 – An Act Relating to Public Officers and Employees – Retirement System – Contributions and Benefits*

Chair Abney:

I write with regard to 2024-H 7029, which would increase the post-retirement earnings cap from \$18,000 to \$25,000 for adjunct faculty members.

Consistent with Rhode Island law, legislation concerning the pension system should not be approved without the benefit of a pension impact note. *See* R.I. Gen. Law § 36-10-39 (Legislation impacting the pension system “shall *not* be approved by the general assembly unless an explanatory statement or note . . . is appended to the proposed legislation which actuarially calculates . . . the projected twenty (20) year cost of the proposed legislation”) (emphasis added). This independent assessment will clarify any impact the proposed legislation may have on both the State budget, and the sustainability of the pension system. The Chairperson of the House Finance Committee – with the approval of the Speaker of the House – can request a pension impact note concerning proposed legislation originating in the House. *See* R.I. Gen. Law § 36-10-39.
