House Bill No. 7588  
ENTITLED, AN ACT RELATING TO TAXATION -- PERSONAL INCOME  
TAX

Dear Chairman Abney and members of the House Finance Committee,

I am writing to you today in support of Representative Ackerman's House Bill No. 7588 which would phase out the state tax on Social Security. As a 70-year-old Rhode Islander, who lives alone, it becomes more and more difficult to keep up with rising costs. Eliminating the state tax on Social Security would help many older adults, like me, who live on fixed incomes.

I strongly support House Bill No. 7588 which would phase out the state tax on Social Security over a four-year period. I encourage you to vote YES on this bill. Thank you for your consideration.

Sincerely,

Marianne Kelly
