I am out of town and am unable to testify in person on the following bills:

The Rhode Island School Superintendents Association takes the following positions:

Support H7250

Support H7252

Support 7687: This bill will allow districts to receive transportation categorical funds when they utilize local transportation contracts rather than the Statewide system to transport out-of-district students. It will reward districts for being cost-effective.

Support H7906

Thank you.
