Subject: oppose Bill H-8183

Good morning,

It is my understanding that the House Study Commission on short term rentals should conclude it's study before acting upon any new legislature, namely Bill H-8183.

As a short term rental owner of,
015 Brown Lane, Prudence Island, R.I.,
this new bill would have a serious impact upon my husband, John and I.

Therefore I oppose Bill H-8183 and ask you to reconsider going forward on this bill until all study has been rightfully concluded.

Sincerely,

Kerrie Benevides
