**Subject:** Support Building Performance Standards, Article 3 Section 15

Dear Chair Abney and members of the Committee,

My name is David Radcliff and I live in Coventry. I am submitting testimony in support of the state benchmarking and building performance standard program proposed in Governor McKees proposed FY 2026 budget (H5076 Article 3 Section 15). To meet our Act on Climate emissions reductions, we must take action to reduce greenhouse gas emissions from our large buildings. Creating this program for state buildings is a necessary first step to start understanding energy usage and then develop standards to start reducing greenhouse gas emissions.

Sincerely,  
David Radcliff
