RE: Oppose EV Tax, Article 5 Section 3

Dear Chair Abney and members of the Committee,

My name is Joan Ramos and I live in Cranston. I am submitting testimony in opposition to the proposed electric vehicle registration fee in Governor McKees proposed FY 2026 budget (H5076 Article 5 Section 3). To meet our Act on Climate emissions reductions, we must replace more gas cars with electric vehicles. This fee would be a disincentive to EV adoption.
