Dear Clerk Steve Sepe,

I am writing to express my strong support for Bill H-5351, which ensures that I can continue receiving care from the provider I have personally chosen for my injectable treatments. I deeply value her personalized approach, and her small facility provides a welcoming and intimate environment that enhances my overall experience.

Access to a qualified and dedicated provider is essential for my continued well-being and satisfaction with my aesthetic journey. I urge you to support Bill H-5351 to protect patient choice and maintain access to this exceptional level of care.

Thank you for your time and consideration.

Sincerely,

Haley Haskins
