Subject: Support House Bill 5254 and others

Trump should not be stopping federal funds for medical research. This is preposterous.

Support House bill 5498

AI generated denials lack empathy and compassion. No more!!! It's a quick easy way to deny health care.

-

[Support](#)

[House Bill No. 5499 \(HHS\)](#)

- a bill to rein in Medicaid MCO PBMs [Senate Bill No. 117](#)
-

Thank you,
