My name is Dorothy C. Troppoli and I live in Warwick, RI 02886. I am writing to you today about bill H6088 which allows a certified foot care nurse or a certified foot care specialist to provide certain at-home foot care, including routine foot and nail care including nail clipping. I'm asking for you to support this bill since I am in desperate need of routine foot care. I have Parkinson's and I cannot go out of the house because I'm no longer strong enough to walk. I am on blood thinners and need someone to perform nail care for me. I urge you to kindly consider a positive vote supporting H6088 Bill.

**Thank you,
