Subject: BILL H6088

Dear Members of the House Health and Human Services Committee,

My name is Janet Hawkins. I am a Registered Nurse, and I live in Newport, RI. I am writing to you today about bill H6088 which allows a certified foot care nurse or a certified foot care specialist to provide certain at-home foot care, including routine foot and nail care including nail clipping. I support this bill because it enables homebound residents an opportunity to receive safe footcare from a qualified professional in their home. It enables residents to prevent exacerbation of foot wounds and infection thereby preventing more expensive and hospital based care in the future.

Thank you,
Janet Hawkins
