Subject: We need foot nursing care in Rhode Island

Dear Members of the House Health and Human Services Committee

My name is Linda Tammaro and I live in North Kingstown, Rhode Island. I am writing to you today about Bill H6088 which allows a certified foot care nurse or a certified foot care specialist to provide certain at home foot care, including routine foot and nail care including nail clipping. I support this bill so foot care, an essential service, can be provided for our homebound, bed ridden, and disabled people in our communities in Rhode Island.

Thank you,
Linda Tammaro
