Roberts, Sherry; House Judiciary Committee
Subject: 2024-H7100

Dear members of the Judiciary Committee,

I urge you to oppose efforts to legalize assisted suicide in Rhode Island. It is the intended role of both government and medicine to safeguard human life and health, not to facilitate death. Assisted suicide has no place in a civilized society. Please vote against H7100 and any other similar effort.

Sincerely,
Dr. David Miller
Cranston, RI
