Dear Representatives,

I'm e-mailing you in opposition to the bill that would legalize Assisted Suicide in our state of Rhode Island. Babies are already being murdered through abortion here in our state, and now with assisted suicide, the sick, elderly, mentally ill, et cetera, will be murdered. The Lord is the only one who should decide when a person is given life and when it is time for the person to die.

Please vote against this bill to legalize assisted suicide in our state.

Sincerely,

Fr. Brian Sistare
