Dear Representative,

We are voters in Coventry, RI and we are writing to urge you to vote no on House Bill 2024-H7100, the Lila Manfield Sapinsley Compassionate Care Act. We ask that you oppose this and other similar pieces of legislation. Let's continue to work to improve palliative care in Rhode Island rather than find ways to end the lives of our terminally ill.

Sincerely,

Kevin T. Conway, M.Ed
