Subject: Pass H7577 out of House Committee to floor today

Rhode Island voters support the Health Care Provider Shield Act and want a floor vote this year! Please vote YES on H7577 when it comes before the House Judiciary Committee. This is about protecting patients who need reproductive and transgender healthcare, and our providers who do not deserve legal repercussions for providing treatment they are trained to provide.

This is urgent legislation for Rhode Island and must not be delayed any longer. Thank you.
