Dear Esteemed Legislators –

As a tax paying, law abiding constituent in RI D46, this email is to inform you that I strongly **OPPOSE** HB 7268 or the Requirement to take a RIDEM test every two years to be able to purchase firearms. This is a pointless bill that will only create more work for our overworked state employees. RI has enough gun laws, they just need to enforce what is on the book and not burden tax paying voters who are law abiding citizens.

Thank you for your attention to this issue.

Best Regards,
