To House Judiciary Committee and Administrator,

Please include this email expressing my support as stated below.

I am writing to express my support for House bill H7374

In the case of a mandatory evacuation, a person is very likely going to need to leave with his/her firearms in their possession. This bill allows for the lawful handling of firearms under those conditions.

We grant out of state drivers to drive on our roads. We should also grant out of state concealed carry permit holders the ability to carry concealed in our state, provided the requirements outlined in this bill are satisfied.
