House Judiciary Committee:

We are writing to urge you to vote yes on H7525, H7956, H7956 and H7637. All of these bills are essential in reducing mass incarceration and ensuring the health, safety and well being of incarcerated people.

Lindsey Berry (MSW), COYOTES Health and Safety Education Specialist, facilitates a weekly 2 hour [program](#) for the women inside the ACI, which is part of our re-entry program. We provide case management to the women upon their release to include gift cards for clothing, food and household items. We also encourage the women to join our weekly online support group "Sister 2 Sister" for formerly incarcerated women.

Please vote yes on H7525, H7956, H7956 and H7637.
