My name is Lisa Harter Pettit.

I am testifying in support of Sherrys law bill # hb750.

I am a survivor of sexual and child abuse, in my experience and other survivor's experience I have ptsd, anxiety and depression because of abuse I suffered as a child.

For survivor's of abuse sexual and other it is a lifetime sentence, it is something we will always have to deal with for the rest of our lives. So I firmly believe our sexual abusers should serve jail time.
