As a fellow resident of Rhode Island, I strongly urge you to vote NO on H.7373, the mandatory storage bill.

This bill would only tip the scales toward home invaders when mere seconds are paramount. This is a dangerous bill for citizens who only seek to defend themselves against a criminal attack. Firearms safety is a matter of personal responsibility as everyone has different circumstances. This one-size-fits-all overreach is an intrusion into a person's home and will do nothing to improve public safety.

Again, I ask that you please vote "no" on H.7373.

Thank you for all that you do for our state.
