Subject: Amendment to H7373

Good afternoon after learning about Dillon's Law in the 2023 Session I am writing to ask the the Judiciary Committee return H7373 to the House Floor with either a previously ratified amendment honoring Dillon, or the following Amendment to the title properly honoring Dillon Vein's:

This Law shall be entitled Dillon's Safe Storage Law, to honor Dillon Veins, a minor who perished as a result of another minor wielding an unsecured firearm.

Thankyou,
