Subject: Opposition to bills on upcoming House hearings

Hello House Judiciary Clerk;

My name is Michael Guilmain and I live in Scituate, RI. I am writing to you today to state that I Oppose bill SB 2202 Sub A. This bill is not a safe storage bill as the name implies. This is a mandatory storage bill, requiring any gun is locked and unusable, even when there is no reasonable chance that anybody other than the lawful owner can access it. As a result, this will delay access to a potentially lifesaving device during an illegal entry. This can literally be the cause of deaths of innocent people unable to properly protect themselves.

I would be happy to discuss this with you further in more detail, please feel free to reach out to me.

Sincerely,
Michael Guilmain
