Dear Chairman & Members of the House Judiciary Committee:

Volunteer Services for Animals wholehearted supports H5025 the legislation that will protect rescuers from the civil charge of abandoning feral cats that they trapped and rescued for sterilization.

We thank the sponsors of this legislation who we copied on this email.

We hope that your committee will vote favorable so that we are able to have a full House vote on H5025.

Thank you for your consideration.

Very respectfully yours,

Joanne J. Rongo
