

Testimony in Support of Bill #5185

Dear Chairman Craven and Members of the House Judiciary Committee:

I am writing in support of this bill that protects people, especially seniors, against Unfair Service Agreements. I received a check in the mail with a letter stating my home warranty was expiring. I have never had a home warranty. Had I cashed that check, it would have committed me to a warranty and possibly a lien being placed on my home. Thanking you in advance for your support.
