Dear House Representatives,

My name is Brian Ladino, and I am a student here at Providence College. I am writing to ask for your opposition to the Assisted Suicide Bill. I believe that all human life is sacred, and that we do not have the right to determine when another person dies. I also know firsthand the sadness of losing a loved one to suicide, and know that suicide—even physician-assisted suicide—ends a life prematurely.

Thank you so much for your time and consideration.  
Brian Ladino
