Dear Members of the RI Judiciary Committee:

My name is Matthew Duska from West Greenwich Rhode Island.
I want to express my horror at the thought of our House Judiciary Members considering a bill that would actually help people to end their lives. Human Life is a sacred gift from God, and in whatever form it is in it should never be destroyed by another.

This is a very grave evil. Not only will it tear at the fabric of our civilization where we depend upon each and everyone of us to do all that we can to support and preserve life at all its stages. But once we as a state allow legalized murder, please ask yourselves what have we become as a society but a ghoulish mob of assassins.

Please forego this temptation to legalize assisted suicide in Rhode Island. Take a stand for life by voting against H5219, and listen to the better angels of our beings.

As Chris Young said just hours before he passed, speaking to members of this Statehouse. We will all meet our maker. Ask yourselves what will you say to God when He asks you about what you did with your vote?

I for my part am urging you to say no to Assisted Suicide in Rhode Island!

Sincerely,
Matthew Duska
West Greenwich
