Dear Rhode Island House Judiciary Committee:

My name is Michael Infussi, and I am at student at Providence College. I thank you for your commitment to the state of Rhode Island and its government, and for your role in hearing the case for the Lila Mansfield Sapinsley Compassionate Care Act (H5219). I implore you to oppose the act and help protect the dignity of human life all the way until natural death. That the state could legitimize the voluntary taking of one's life is a tragedy. Rhode Island should be a place where life is valued.

Sincerely,
Michael Infussi
